(the "Company")

29 February 2024

Status Report in terms of section 132(3) of the Companies Act 71 of 2008, as amended, (the "Companies Act"), read with Regulation 125

1. INTRODUCTION

In terms of section 132(3) of the Companies Act a company whose business rescue proceedings have not ended within three months after the start of those proceedings, or such longer time as the court, on application by the business rescue practitioner (the "**BRP**"), may allow, the BRP must:

- (a) prepare a report on the progress of the business rescue proceedings, and update it at the end of each subsequent month until the end of those proceedings; and
- (b) deliver the report and each update in the prescribed manner to each affected person, and to the court, if the proceedings have been the subject of a court order or the Companies and Intellectual Property Commission (the "**CIPC**"), in any other case.

The BRP accordingly submits the sixth status report.

The BR Plan of the Company was published on 29 February 2024. The meeting of creditors and other holders of a voting interest held in accordance with Section 151 and 143(3) of the Companies Act to determine the future of the Company and to vote on the approval of the agreement for further remuneration of the BRP will be held virtually on Wednesday 13 March 2024.

4. PROOF OF CLAIMS

All creditors that have not yet submitted their claims are encouraged to do so as soon as possible.

5. CONCLUSION

The BRP remains of the opinion that there is reasonable prospect that Technique could be rescued or that a better outcome could be secured for creditors and shareholders than in a liquidation.
